**DEFENDANT’S UNOPPOSED MOTION FOR AN
EXTENSION OF TIME TO FILE PRE-TRIAL MOTIONS**

TO THE HONORABLE DAVID HITTNER:

Gregg Carl Baird files Defendant’s Unopposed Motion For An Extension Of Time To File Pre-Trial Motions, and for cause would show as follows:

I.

Defendant is charged with receipt of child pornography, in violation of 18 U.S.C. § 2252A(a)(2)(B) (count one); access with intent to view child pornography, in violation of 18 U.S.C. § 2252A(a)(5)(B) (count two); and possession of child pornography, in violation of 18 U.S.C. § 2252A(a)(5)(B) (count three). He is detained pending trial. His pre-trial motions are due on October 28, 2015; the Government’s responses are due on November 18; and a jury trial is scheduled for January 11, 2016.

II.

The Government and counsel for defendant need more time to determine whether the case can be resolved without a trial or, if not, to prepare for trial.

Counsel does not want to file motions and cause the Government to expend its valuable time responding if the case can be resolved without a trial. Accordingly, counsel requests a continuance of the October 28 motions deadline, as well as the Government's deadline to respond. Counsel proposes a new motions deadline of November 20.¹ The Government is not opposed to this extension.

At this time, the parties do not believe that it is necessary to continue the trial setting, unless the Court decides to do so as a result of extending the motions deadline.

This motion is made in the interests of justice and not to delay the proceedings. Defendant requests that the Court grant this motion.

Respectfully submitted,
